Dear Parent/s,

### **Re: Bus Routes & Procedures**

Woodside Primary School is very privileged to have its own school bus, which is used for the transportation of children to and from school in the morning and afternoons. We also have access to the Yarram Secondary College Bruthen Creek Bus that travels along the Carrajung-Woodside Road and drops the students at our school gate.

Any family that lives along either of these routes, or near these bus routes, has the right to access this form of transport. If a bus route passes your front gate, and there is a safe place for your child/ren to stand (and the bus to stop), then the bus will stop and pick up your children.

A student cannot use the Bruthen Creek Bus on a casual basis unless an Application for Permission to Travel – Eligible Students has been completed and approved by the Yarram Secondary College Bus Co-ordinator. At least 24 hours' notice is required for approval. A separate application form is required for each bus.

If you would like to take up this form of transport on either route, please ask at the office for an application form. If you have any other questions or queries please do not hesitate to see me.

Yours faithfully,

**Daniel Phelps**  
Principal
